

T478222-900 GARMENT CENTER

47"W. X 21 5/8"D. X 82-3/4"H. Self-contained unit complete with full height solid doors, equally divided into two sections. One section to have clothes rod. The other section will contain one iron-a-way unit with power control panel recessed within a separate interior door panel, hinged so the shelving storage located behind the iron-a-way is easily accessible. Conduit from rough-in to control panel by electrical contractor.
