PRODUCT

KEY FEATURES

Ceramic Series

CLAY WEDGING TABLE

- Constructed of solid maple
- 1-1/4" thick ChemGuard top wrapped with removable canvas
- A clay cutter wire mounted to the top and angled across the depth of the surface
- The canvas top is held on with Velcro making it easy to remove, clean and reattach
- The wire is secured with a twist-lock fastener and is easily adjustable
- Finished with a durable, earth-friendly UV finish

MOBILE CLAY CART

- Constructed of premium maple veneers
- A removable liner is included
- Rolls easily on casters
- Top is fitted with piano hinge and recessed pull
- Finished with a durable, earth-friendly UV finish

CERAMIC WORK CENTER

- Constructed of solid maple and premium maple veneers
- Finished with rubber base molding and a durable chemical resistant UV finish
- Included with this model is our mobile clay cart (C-38)—that is stored between the two cabinets
- Cabinet includes three, locking dovetail drawers, and one locking cupboard with adjustable shelf
- Finished with a durable, earth-friendly UV finish
