

- A. **Sheldon VXT-3624M Robot Tote Storage Cabinet with VEX Logo:**  
36"W X 24"D X 53"H
1. The 36" wide mobile storage cabinet is designed to store up to ten VEX Robotic tote trays. The cabinet is made of maple plywood, has swinging doors that have 3-point locking handles for security, an earth-friendly UV finish, and rolls on four 4" heavy-duty locking, swivel casters. Cabinet is finished on all the sides. Robotic kits and tote trays are not included.
    - a. The case assembly consists of 3/4" maple plywood end panels and back panel, 3/4" maple plywood vertical divider panel, 3/4" x 2-1/2" solid maple top front and back rails, 1" maple plywood bottom panel, and a 1" applied maple plywood top.
  2. The interior has two sections. Each section has four adjustable 3/4" shelves plus fixed bottom panel to provide storage for five Vex totes per section.
  3. This cabinet is provided in Maple only.
  4. See **sheldonlabs** Sales Sheet for available options that may be specified.
    - a. Cabinet available in 50" width to store up to 15 totes.
    - b. Cabinet available without VEX Logo.
